

Team Lead

Skipper Group has developed an innovative concept of externalization combined with solutions of transport guidance and traceability. With its expertise, Skipper is able to provide high quality services and to manage projects on fast-paced environments in a very flexible way. The company has grown to 9 warehouses in the world including 7 in the South of France, 1 in Paris and 1 in Lawrenceville, GA.

In order to maintain the growth of our activities in the US, we are looking for a Team Lead:

As a team lead, your main tasks will be to:

- Assist your Supervisor in his/her daily tasks,
- Organize and lead the work area you're assigned to,
- Maintain a clean working environment,
- Prepare and control the RF scanners to make sure they are in good working order,
- Perform other duties such as:
 - Moving and stacking materials and items into designated area,
 - Picking orders using appropriate equipment,
 - Inspecting and Packing orders,
 - Building and wrapping pallets,
 - Unloading and/or loading trucks,
 - Filling up online forms/packing list on suppliers' web portal (upon customers request) in order to be provided with the appropriate means of transport which will need to be used for shipment.

A **valid forklift license** and previous experiences in logistics using forklifts, pallet jacks or even narrow aisle reach trucks would be **preferable**.

Knowledge / Requirements:

- Reading, writing, arithmetic basics,
- Good communication skills,
- Previous experience as a team lead/manager in a Warehouse/Logistics environment is requested
- Basic computer knowledge (mandatory for one of the two position)
- Ability to lift up to 50 pounds.

Skills: teamwork, organization, attention to details, commitment.

Employment type:

- Full time
- Monday to Friday 8 am to 5 pm

Salary: \$15/hour
